- C. Motor Transport Dept Arsa Mines
  - 5. On 31 December 1946 the departmental monthly account of the Autoprometa
    (Motor Transport Department) revealed a credit balance
    represented profits on transportation of wood
    on account of the Coal Mines Directorate. The credit balance is largely
    due to the efficient maintenance of a fleet of 47 trucks.
  - 6. The Autopromet is drawing up a plan for securing a new fleet of 60 trucks, since most of the UNRNA trucks are gradually becoming unserviceable.

    Motor vehicles operating on nafta are preferred.
